

# Excursion Permission

**Excursion**

Dear Parents/Carers

From time to time the school arranges for some classes to attend excursions outside the school e.g. visits to the Medical Centre. Students in the upper school who play sport on Fridays may also be required to be transported by bus/car to a sporting venue.

If these circumstances arise and you wish your child to attend, this permission note will cover those times when we cannot contact a parent. It will remain in place for the duration of 2012. Should circumstances change and you wish to withdraw this permission, please contact the school.

Mrs Wendy Geddis  
Principal

**Consent to attend excursion**

Having read the information provided regarding my child's group undertaking this excursion, I hereby give my child, whose name appears on this form, permission to attend said excursion.
