

Investing for Success

Under this agreement for 2017

Garbutt State school

\$83,906*

This funding will be used to

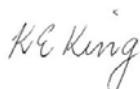

- Develop student's English concepts and skills so that at least 70% of students in years 1-6 will achieve a "C" level of achievement.
- Develop student's English concepts and skills so that at least 60% of students in Prep will achieve a "C" level of achievement.

Our initiatives include

- Implement whole school planning and unpacking processes for supporting evidence based, high quality teaching of AC: English (Collaborative Inquiry Process).
- Provide professional development and coaching to deepen teachers' understanding of AC: English and EAL-D learner's needs.
- Build teacher capability in administering the Bandscales for EAL/D Learners to monitor and support students' progression of learning of Australian Standard English.
- Provide targeted and scaffolded Professional Learning for teachers to embed the high impact practices (Clarity, Evidence Driven Instruction, Gradual Release of Responsibility Model and Monitoring of Learning).
- Develop a shared understanding of 'data literacy' and lead teachers to effectively use data to inform targeted teaching (Collaborative Inquiry Process).

Our school will improve student outcomes by

- Employ a Head of Curriculum to lead AC: English and EAL-D targeted professional learning for teachers and support staff and embed quality first teaching and support processes.
