Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Extending our Literacy Coach role from 0.4 to 0.8 to deliver whole of staff professional development through weekly workshops and to provide quality coaching for the teaching of guided reading with a focus on Explicit Instruction
- Providing professional development for Teachers to develop their skills for analysing their short, medium and long term goals and data collections with the Literacy Coach, STLaN Team, HoC and State Schools Regional Team
- Released a SET from class .4 to provide EALD Literacy support groups
- Supporting a strong Reading program for the Early Years by training early year teachers, teacher aides and providing necessary reading resources.
